March 12, 2020

Dear Parent & Guardians,

Effective Monday, March 16th, all curriculum instruction for grades 9, 10, 11 and 12 will be handled through online learning platforms.

This measure, in accordance with the directives established by the diocese and in alignment with the guidance given by the state, is being taken in order to prioritize the health and safety of our students, faculty, and staff.

The details of how specific classes will utilize online learning, daily schedules and attendance will be sent to all students and parents over the next few days.

We fully recognize the magnitude of this directive and the impact it may have on our families. Throughout this period, we are fully committed to providing your students with rigorous academic instruction and opportunities for learning.

We ask that you begin making arrangements to accommodate these changes. More detailed information will be sent as soon as possible.

Sincerely,

A handwritten signature in black ink that reads "Dr. G. A. Colosimo".
