Dear Parents/Guardians,

Today we received a directive from the Superintendent of Education for the Diocese of Salt Lake that the current school building closure has been extended through Easter Sunday, April 12, 2020.

Juan Diego Catholic High School will continue our class schedule of online learning through Wednesday, April 8, 2020. As originally scheduled, we will not have classes on Holy Thursday and Good Friday (April 9 & 10, 2020). Public gatherings for Holy Week and Easter Sunday services have also been canceled. Your individual parishes and houses of worship will communicate how services will be delivered.

We will communicate further changes to our schedule, beyond April 12th, as decisions are made.

Thank you for your continued understanding and patience during this difficult time.

Yours in Christ,
Dr. Galey Colosimo
